Thank you for your contribution to Rotary National Golf Invitational to benefit End Polio Now and The CART Fund.

Charleston National Golf Club is a uniquely beautiful Rees Jones design just north of the city of Charleston in suburban Mt. Pleasant. The course is carved along the intracoastal waterway, through natural wetlands and lagoons and through a pine and oak tree forest. The result is a championship caliber golf course with some of the best views on the southeastern coast. Charleston National was originally designed to be an exclusive private country club in the manner of Augusta National. Designer Rees Jones was brought in to build the finest golf course on the coast. Today Charleston National is a reasonably priced semi-private golf course which has been rated the #1 non-resort golf course in the Charleston area by Golf Magazine.

Last year we raised over \$30,000 for End Polio

Now and The CART Fund

In 1988 Rotary International made a promise to the children of the world to eradicate polio. To date Polio has been eradicated in all but two countries – Afghanistan and Pakistan. Rotary International started the

GPEI (Global Polio Eradication Initiative) which is made up of WHO, UNICEF, The Gates Foundation, GAVI, CDC and Rotary. To date, Rotarians have given over \$2.1 billion. www.endpolio.org

The CART (Coins for Alzheimer's Research Trust) program was

started in 1996 when Rotarians began emptying their pocket of change at weekly meetings. 100% of all donated funds go to Alzheimer's research. CART has awarded over \$9.2 million for grants to recognized US research institutions. www.cartfund.org/cart/

The Invitational

Rotarians in Rotary District 7770 promote this tournament throughout the district – one of the largest districts in the Rotary world. It is well known and highly respected for the quality results achieved by its clubs and members. District 7770 consists of 74 Rotary clubs and a membership of nearly 3,500 Rotarians in the eastern half of South Carolina.

These Rotarians are businesspeople who contribute to their communities, work for positive change, and enjoy having a

good time. It's where like-minded professionals and community leaders come together to exchange ideas, take action, and make new friends. Rotarians are people you want to be associated with.

Your support will not only reach Rotarians in our District but will also allow you to market to individuals and business owners outside of our District. Rotarians will promote the tournament and will enthusiastically promote the sponsors that make it happen. That is 3,500 Rotarians spreading the word to support your business.
